With spring in the air, and longer light evenings, we have got a range of pretty salad bowls to complement the delicious food to come in the next few months.

How about the fresh green bowl and salad servers by Guzzini, from Italy, at **£24.95**.

We also have a special promotion to introduce the new Premium Plus range from SKK- the cookware Delia Smith said was "the best ever" has got even better. Premium Plus pans are made in Germany from cast aluminium, and have a 4-layer non-stick coating, over an ultrahard ceramic plasma base for maximum durability and scratch resistance.

The non stick coating is guaranteed for 5 years, and the thermocore base is guaranteed not to warp or crack for life. They are wonderfully non-stick in use and you can cook with very little fat.

Buy the 26cm casserole for £95, and get matching deep frying pan at half price- £37.50. The glass lid will fit both the casserole and the frying pan.

We also now stock the Anolon 'Gourmet' range of kitchen utensils

The utensils have sureGrip™, ergonomic handle for a soft feel, cool and slipfree grip, plus durable nylon heads, which are heat resistant to 400°F/210°C, and suitable for nonstick cookware, a cast steel loop for easy hanging, and they are dishwasher safe.

Recommended retail price is £9.00,
Classy Cooks price is £6.99
