Cook with the best.....

E-News No. 13
February 2010

We are very excited to have added Robert Welch Signature knives to our range- we now stock Global, Wusthof Classic and Wusthof Gourmet, Veritable Sabatier and Kuhn Rikon knives. If you want knives from other ranges we are happy to order them for you.

The Robert Welch Signature knives are distinctively stylish, and comfy to work with.

The Signature knives feature a full tang, where the metal extends the full length of the handle - this adds strength, durability and balance. The handles are made from a Dupont (TM) material and moulded precisely on to the full tang. Robotic technology ensures each handle matches perfectly and all joints and surfaces are carefully finished and checked to prevent the risk of food particles being trapped. The handles and blades are set at the best angle to minimise fatigue.

Fully forged and robotically engineered, the Robert Welch Signature knives are manufactured from German DIN 1.4116 stainless steel and hardened to Rockwell 55-56- so they are not only extremely sharp, but stay sharper for longer. Each knife blade is hardened, tempered and laser tested for excellent edge retention.

Prices range from £23.50 for an 8cm vegetable knife, to £38 for an 18cm cooks knife. Do come in and try them.

To keep your knives at peak sharpness we have the Scanpan Classic 3part sharpener at £24.95 (normal retail price £29.95). It has 3 sharpeners- of tungsten, to regenerate blunt knives; diamond, to sharpen the blade every 2 to 3 months; and ceramic, to hone the blade for everyday use.

Take a look at the silicone roaster from Scanpan. It measures 30cm x 22cm (12in x 8.5in). It is made from 2 tone heavy duty silicone for maximum durability, with a non stick surface ensuring easy food release, suitable for temperatures from -40C to 230C. Normal price is 29.95, but we have a special price of £16.99.

Look forward to seeing you soon,

Mary, Rivka and Judy.
