Cook with the best.....

E-News No. 6
March 2009

Mothers Day this year is on Sunday 22nd March, and we have got lots of ideas for a treat she will love.

Typhoon oil and vinegar drizzlers make an elegant and useful gift-made of clear glass with etching.

Oil drizzlers £13.75 per pair

The spotty glass Love bowls look stunning on any table, and come in different colourways and sizes (small, medium and large).

Love bowls: small-£14.50, medium-£18.00, large-£25.00

How about a Flame tagine, from £44.00 (as shown). Flame cookware, which is made in France by Emile Henry, is ceramic, and suitable for cooking on the hob, in the oven and microwave, as well as the freezer. The range also includes round and oval casseroles.

If she likes flowers, the new EasiVase is a great new innovation-it is unbreakable and folds away easily for storage, but is sturdy and stable when holding water.

EasiVase: small-£2.50, medium-£3.50

Come and have a look at the wide range of items in stock-we are happy to help you find the perfect gift for your mum - or give her a Classy Cooks Gift Voucher, and leave the choice to her.

Look forward to seeing you soon,
Mary, Rivka and Gilly
