*Cook with the best.....*

**E-News No. 4  
December 2008**

We are open everyday now in the busy run up to Christmas, for last minute gifts as well as cooking essentials- including Sunday 21<sup>st</sup> December, from 10 to 4, and Christmas eve from 9 to 4.  
After Christmas we are open from Saturday 27<sup>th</sup> December.

We have everything to make sure your Christmas feast is cooked to perfection-from roasting pans, meat thermometers and mince pie tins, to carving dishes and sets-plus lots of aprons to ensure your outfit remains spotless.

We have got lots of ideas for gifts, from stocking fillers under £5, upwards- you can pick up a copy of Gift Ideas from the shop, or download it from the [website](#).

**Apollo stainless steel-£24.42 each**

**Apollo stainless steel/acrylic  
£19.53 each**

We now stock Crush grind salt and pepper mills as well as Peugeot brand mills. They make great gifts as well as looking good in the kitchen or on the table. The mills can be used from salt, pepper or spices. With a ceramic grinding mechanism that is harder than steel and non-corrosive, the mills are easy to fill, fully adjustable and have a lifetime guarantee.

We have 4 different designs in stainless steel and acrylic, all at £5.00 off normal retail price.

**Sorcerers Hat-£14.63 each**

**Stockholm-£14.63**

Decent knives make a good gift for anyone who enjoys cooking, and we stock Global, Henckels, Wusthof, and Sabatier ranges. On special offer we have the Wusthof Silverpoint knife block, for £96.89 (including VAT reduction) rather than the normal retail price of £155.00. The beechwood block contains a paring knife, utility knife, breadknife, 18cm cooks knife, steel and kitchen shears.

Thank you to everyone who has shopped with us during 2008- we greatly appreciate your support.  
Have a lovely Christmas and New Year and we look forward to seeing you in 2009.
