Cook with the best.....

E-News No. 2 October 2008

If you want to beat the credit crunch by eating in, we have everything you need for baking, cooking or throwing a party at home

Halloween is only a few weeks away. As well as loads of seasonal cookie cutters (witches, bats and ghosts for 99p each) we have Halloween plastic cutlery sets.

Each set contains 4 witch forks, 4 skeleton knives and 4 pumpkin spoons, all for 99p

We also have some great offers on Le Creuset –

A 26cm shallow sauté Casserole in different colours- teal (as shown in the picture), volcanic, red, blue, almond and granite for 25% off normal price-£69, rather than £92.

Le Creuset casseroles are made of cast iron, which cooks superbly, with a smooth enamel finish which is durable and hygienic. The shallow, wide base of this versatile pot allows maximum contact between the food and the heat. A paella, couscous or simple seafood linguine cooked and then served at the table in the Shallow Casserole looks simply stunning!

It is oven, grill, freezer and dishwasher safe, and suitable for all hobs including induction

With 2Litre capacity, it has a lifetime guarantee.

31cm deep rectangular dish in different colours-red, blue, almond, satin-black and granite, which normally costs £24.50, for £14

This stoneware dish was one of our best selling items last year-it is a very good size, and the easy grip rim allows you to comfortably lift and carry the dish from the oven to the table. Fantastic for cooking succulent roasts with plenty of room for crunchy wedges of vegetables. Or try a delicious deep filled lasagne.

Truly versatile, you can use it for marinating, baking, roasting or serving. It has 2.5 litre capacity, and is oven, microwave, grill, freezer and dishwasher safe
