Cook with the best.....

E-News No. 1 September 2008

Welcome to Classy Cook's first newsletter- we aim to bring you news every month about new products that we think are special, unusual or just a bit of fun; as well as details of promotions or other special offers.

Introducing SKK Premium Plus SKK cookware-said by Delia Smith to be "the best ever" -has just got even better, with the introduction of the new Premium Plus non-stick.

Premium Plus pans have a 4-layer non-stick coating, with ultrahard ceramic plasma underlayer for maximum durability and scratch resistance. They are superb for low fat, healthy cooking, and because they are so non stick are a doddle to clean.

The non stick coating is guaranteed for 5 years, and the thermocore base is guaranteed not to warp or crack for life. To promote the new range, we are offering the 26cm saute casserole with lid, for £95;and matching deep 26cm frying pan at **HALF PRICE- £37.50**

and the 20cm frying pan for **£36.00** (normal price £70)

Beetle spoons

Back to school and packed lunches, the folding beetle spoon is great for lunchboxes. The wings unfold to make a handle, and it comes in its own travel case.

Price £4.99

Possibly the ultimate for relaxing with an icecream. Twirling ice cream cones from Kitsch'nfun are battery operated-press the button and the cone rotates-so you don't even have to move your head when eating your icecream-just stick your tongue out.

RRP £5.99, our price **£3.99**
